---

MIRA has been working in close collaborations with other organisations.

- UCL Center for International Health and Development (CHID), Institute of Child Health (ICH), London
- UNICEF
- UMN
- UNFPA
- WHO
- USAID
- A swiss private foundation

Collaborative works with other organisations:

- MIRA/NSMP ENC Training
- MIRA provided ENC training to 10 district hospitals of Nepal in collaboration with NSMP from 1997 to 2007. It consisted of initial three day training, followed by two day training after 6 months and another two day training after 1 year of initial training. It was conducted in places like Surkhet, Bajhang, Butwal, Bhairawa, Kailali, Parbat.
- MIRA/UNICEF LBW Study
- Rfd
- dfdf
